Myli acknowledges the Gunaikurnai, Bunurong and Wurundjeri peoples as the traditional custodians of the land on which our services are located. We recognise that Aboriginal and Torres Strait Islander peoples are these lands first story tellers and that there is so much more we can learn from First Nations cultures.

Myli is committed to the safety and wellbeing of all children and young people.

VOLUNTEER OPPORTUNITIES...

At Myli - My Community Library, we are committed to building a positive volunteer culture across our organisation.

Volunteers play an important role within our libraries and we aim to provide meaningful work and an inclusive, fair and welcoming experience.

Volunteer opportunities at Myli

- Full recruitment, induction, and training
- Volunteer Agreement process
- Support and supervision
- Building relationships with staff
- Recognition and celebration of your volunteer journey
- Program support: aid in library program preparation and delivery
- Branch support: help maintain library presentation for a welcoming environment
- Staff support at outreach events

Skilled volunteers may be able to assist with provision of services, programs and activities that support our Vision and Mission.

Home Library Service

Our Home Library service supports our community members who may not be able to come into their library due to illness, injury, mobility and access issues, or they may be caring for someone else.

Volunteers can help with selecting materials and delivering them to people. It's a great chance to help someone in your community maintain their relationship with their library, and to engage with a client about their reading needs and desires.

Register your interest or learn more

Please scan the QR code below to register online or contact Myli Support on email support@myli.org.au or call 1800 44 6954 (1800 HI MYLI) Mon-Fri 9am-5pm or visit your local library to speak to a team member.
